"store" items

cooking supplies

The BX never seems to get our list quite right! If you have purchased something on that list that we don't need, I will return it. Hopefully, you can put it in your child's "study" area at home.

If you were unable to get anything on the list, don't worry. This happens every year. Just send it in when the shelves are restocked. 😊

I will let you know, during the year, if anything runs out.
