

VOLUNTEERING AT FELTWELL

Attention, Parents... Feltwell Elementary Needs Your Help!

All parents are invited to volunteer at Feltwell Elementary, whether you have only a few minutes or a few days, whether you can be at the school or prefer to volunteer from a computer or phone, or you can help days, evenings or weekends: all parent volunteers are welcome!

If you are interested in volunteering, please print and complete the survey below. This will help us to identify your talents and contact you to assist throughout the year with student activities, whether it is with your children's homeroom class or another teacher's classroom. **Filling out this survey, however, does not commit you to any particular task**

Note: It is required that school volunteers who will have contact with children out of the line of sight of the teacher are required to fill out a background check. Please check with our school secretary at the front desk for information regarding this.
